RESPONSE TO ELECTION/RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Election/Restriction Requirement mailed September 3, 2004, applicants elect Species A (claims 1-2 and 5), with traverse. The grounds for traversal are that the Examiner has not established how the examination of two additional claims of the original five would pose an undue burden upon the Examiner. Applicants submit that the three claims of Species A contain similar features with the two claims of Species B, and therefore the proper search for all five claims by the Examiner would likely overlap. Again, the Examiner may not restrict species of claims only because *some* additional burden is imposed upon the Examiner, but only when there is a serious, or undue, burden posed on the

Examiner to examine all of the claims. Because the Examiner has not established why or how an examination of two additional claims only would impose such an undue burden, the restriction requirement is respectfully traversed, and should be withdrawn.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
